Member, Subcommittee on Education, Arts and Humanities

Dear Sir:

As a high school junior in Fair Lawn, New Jersey, I am doing a project for a Seminar class in American History regarding Federal Music Endowments. I hope to compare the federal funds supplied for popular as well as classical music forms during the 1930's with those offered today.

I will be in Washington between March 15 and 19 to research the project. Since you are a member of the Subcommittee on Education, Arts and Humanities, I would appreciate an appointment to meet with you on any one of those days in order to gain your insight into the topic.

Sincerely yours,

Howard Stecker
