 - a. The Committee reviewed the proceedings of the January 26 Faculty Senate meeting. Concerns were raised about the potential impact of the program on enrollment and class size at URI. The Committee discussed the next steps, subsequent to the motion that was passed by the Senate on January 26, regarding the expansion of Faculty Senate membership to include Senior Lecturers, Teaching Professors, and Clinical faculty who had held their positions for at least 5 years. Chairperson Sullivan said that he would contact the Chair of the Constitution, By-Laws, and University Manual (CBUM) Committee to request the

necessary changes to the Constitution of the Faculty Senate and attendant By-Laws and University Manual changes to be presented at the February 23 Senate meeting.

- c. The Committee discussed the proposed restructuring of a number of standing committees of the Senate.
