## MUSIC AROUND THE WORLD, LTD.

---

The Honorable Claiborne D. Pell  
United States Senator of R.I.  
Room 335  
Russell Senate Office Building  
Washington, D.C. 20510

July 20, 1992

Dear Senator Pell,

This note will serve to confirm discussions with your staff regarding Music Around The World, Ltd. ( MAW ), a Rhode Island Corporation whose objective is to portray authentic cultural, ethnic, and musical forms of young people's music in our audio and video productions. Critical to that objective is the need to coordinate our research and production with the Host Country's Cultural and Arts Attache'.

As a resource for the Educational Community, MAW provides young students the opportunity to learn of other young people's origin and the influences shaping their perspectives and reactions to world events. Therefore, special attention is given to realistically recreate a Nations' song, dance, costume and lore, validating cultural and lingual correctness.

As discussed with "Sandy", we would appreciate your assistance in identifying Nations who have Embassy or Consulate Staff responsible for Arts, Culture and Education located in the Washington, DC area or other major U.S. city on the east coast.

Mr. Drew and I would be pleased to come to Washington and discuss the foregoing in detail with your staff.

We look forward to hearing from your office soon and should there be a need for additional information, please feel free to call toll free 1-800-826-1301.

Sincerely,
