Dear Sandy -

(Here is the (closed))

Soranno "discussion" - you
see no discussion, just as I
said.

Not only so, but the exclusion
of the Council, its subordination
to the Panel, is apparent in every
line!

Senator Clairborne Pell-

Dear Sir -

89 JUL 20 AM 10:15

I understand the National Endowment for the Arts (N.E.A) was a Pell brainchild and that recently you awarded a "15,000" taxpayer-financed award to a so called "artist" for his work which depicts a crucifix submerged in urine -- and this same "artist" received an earlier award of "15,000" for his "Art" created from human body parts ----

Mr Pell I do not approve of our tax money being spent on such trash. You evidently hold our Lord Jesus Christ in very low esteem --

When you stand before Him to be judged; what will you say? Suppose it is true after all? --

I hope you will repent before you die -
