United States  
National Commission on  
Libraries and Information Science

January 8, 1990

The Honorable Carl Levin  
United States Senate Committee  
on Governmental Affairs  
UNITED STATES SENATE  
Washington, DC 20510-6250

Dear Senator Levin:

I am writing to you in response to your letter of December 7, 1989 concerning actions taken by Daniel H. Carter, Chairman of the White House Conference Advisory Committee (WHCAC). I am taking the liberty of answering questions in the same paragraph-by-paragraph order as your letter.

1. The National Commission on Libraries and Information Science (NCLIS) does not contest the general applicability of FACA to WHCAC. However, as you must appreciate, the applicability and requirements of FACA in specific cases can sometimes be unclear. I understand from Mr. Carter that he has from time to time made inquiries of the GSA Secretariat and Department of Education Office of the General Counsel regarding definitions and interpretations of the statute concerning a variety of matters, but he was not "contesting" the determination of the Committee Management Secretariat.
2. Mr. Carter's exercise of procurement authority has been for the White House Conference on Libraries and Information Services (WHCLIS) pursuant to delegations by NCLIS to WHCAC and by WHCAC to Mr. Carter. At the April 1989 meeting of NCLIS, a discussion was held concerning the delegation of authority for the planning and conducting of WHCLIS. The sense of NCLIS was that the WHCAC should work closely with the NCLIS White House Conference Committee with the authority to conduct WHCLIS under the direction of NCLIS. When Mr. Carter's appointment as a Commissioner of the NCLIS expired on July 19, 1989, I authorized him, as Chairman of WHCAC, to distribute and obligate funds for the WHCLIS in accordance with the WHCLIS budget and subject to applicable law (including FACA) subject to my ultimate approval and guidance. Mr. Carter informed me that he completed the documents necessary to notify the Department of Education, Personnel, Budget, Finance and Payroll offices, as well as the National Finance Center, of his signing authority for WHCLIS activities. At the NCLIS meeting on December 11-12,

1989, the Commission reaffirmed that WHCAC should plan and conduct WHCLIS under the direction of NCLIS. WHCAC has authorized Mr. Carter, Chairman of WHCAC, to obligate and disperse such funds as may be required to carry out the WHCLIS plans as approved by NCLIS. Mr. Carter has signed Purchase Orders and Travel Orders totaling \$164,702.84. He has not signed any authorizations for expenditures in FY 1990.

3. The Dire Emergency appropriation for fiscal year 1989 provided NCLIS with \$1,750,000 for Fiscal Year 1989 WHCLIS expenditures. Of these funds, \$1,575,000 were obligated to the States and Territories for their preconference activities. The balance of the initial appropriation, approximately \$175,000, was required to support the WHCAC and staff activities.

The expenses of WHCAC as reported to me are indicated in Exhibits 1A, 1B, 2A and 2B attached to this letter.

4. To the best of my knowledge, the information and documentation supplied by Mr. Carter with respect to a request for appropriation for the White House Conference in FY 1991 was not inadequate or untimely. It should be pointed out that WHCLIS was not included in White House appropriation requests for the original \$1,750,000 or for the later \$3,250,000. These requests originated in the Congress. It is my understanding from Mr. Carter that he has supplied information to OMB on a number of occasions. At present Mr. Carter has no pending OMB inquiries or requests and assumes that they require no additional information from him.
5. The Chairman of the Advisory Committee (Mr. Carter) has the authority to appoint staff, including the Executive Director for the WHCAC, in accordance with P.L. 100-382. Mr. Carter has sought assistance from a Search Committee made up of members of the WHCAC. There have not been any meetings of such Search Committee held to date, but it is my understanding that one is planned for mid-January 1990 and that appropriate steps are being taken to ensure that this subcommittee of the WHCAC is complying with FACA.
6. Since Mr. Carter's election as Chairman of WHCAC, he has worked closely with the WHCLIS staff. He has been responsible as the lead person on the White House Conference staff until such time as the Executive Director is appointed. From the inception of the WHCAC in 1989 to November 18, 1989, Mr. Carter has received a salary from the Advisory Committee of \$10,500.00 for 52 1/2 days at the rate of \$200.00 per day (which is the amount fixed by the President for members of WHCAC). Of this amount, \$4,600.00 was for fiscal year 1989

and \$5,900.00 was for fiscal year 1990. Mr. Carter has received a total of \$4,293.84 for expenses from the Advisory Committee, of which \$3,091.36 was for fiscal year 1989 and \$1,202.48 was for fiscal year 1990 through November 11, 1989.

7. It is my understanding that Mr. Carter will be seeking reappointment to NCLIS. At its last meeting, the Commissioners of NCLIS congratulated him for his performance as Chairman of WHCAC. I also understand that at its last meeting, WHCAC congratulated Mr. Carter on the performance of his duties as Chairman of the Advisory Committee.

If you require any additional information, it would be my pleasure to provide same.

Sincerely,

  
Jerald C. Newman  
Chairman
