# URGENT!!!

Due to continued low turnout at H&H meetings, we need to reconsider the future and the focus of the H&H committee. To do this effectively we need honest information from as many of you as possible. Please respond (by e-mail, phone, or snail mail -- anonymously if you wish) to this questionnaire ASAP (preferably by Oct. 16). My e-mail address is wjb@uriacc.uri.edu, my phone # is 874-4784, my campus mailing address is Bill Bartels, Protestant Chaplain's Office, Roosevelt Hall. Thanks.

1. Are you still interested in being an active member of the committee?

Yes  No  *if*

2. Why? (or why not?)

*The GLB people on campus are enough to be active*

3. If you are still interested, but haven't been attending lately, could you tell us why not?

*I was at a conference & had an accident. I missed both the meetings & office hours when I returned from St. Louis early.*

4. If scheduling is the major problem, please list days and times you COULD make meetings.

*Monday is ok with me*

5. How effective do you think the H&H committee has been in working toward its goals?

*I think we have been successful considering the amount of support we have had. Unless the faculty staff & students return to work with us, it will be impossible to continue with our mission.*

6. Any other comments?

*I'm disappointed, especially with faculty.*
