The Honorable Claiborne Pell
Special Subcommittee on Arts and Humanities
Room 4230
U. S. Senate
Washington, D. C.   20510

Dear Senator:

I called your office yesterday to let you know that I
plan to be in Washington for the hearings on S. 796.
I shall be representing the Mississippi Art Association.
It serves our entire State, and I serve as one of the
Trustees. We are planning a new museum and planetarium
now, so S. 796, if enacted into law and funded, would
mean much to us.

My mother was a Pell. I shall be eager to meet you to
see if I can call you "cousin." For sure, I'm proud of
your work in promoting the arts. My mother was a very
talented person in the arts, so maybe there is a kinship!

I collect art, write and edit books, and devote much time
to promoting the arts in Mississippi. We lived in the
New York area for several years, but my parent company
(CBS-educational division) permits me to live here on the
Gulf Coast and commute to New York. I plan to be in
New York for a week after I leave Washington.

It will be a pleasure to see you.

Cordially,

William S. Haynie
