The Honorable Francis S.M. Hodsoll
Chairman
National Endowment for the Arts
100 Pennsylvania Avenue, N.W.
Washington, D.C. 20506

Dear Mr. Chairman:

It has come to my attention that the Department of Public
Parks in Providence, Rhode Island has recently submitted
two important grant applications to the National Endowment for
the Arts. The first request, for $25,000, has gone to the
Dance Presenters category of the Dance Program and the second,
for $19,000, to the Presenting Organizations category of the
Interarts Program.

The Dance Program grant is intended to provide the first
major Rhode Island dance festival in Roger Williams Park. Five
nationally prominent dance companies will be invited to partici-
cipate in a serious effort to expand the scope and quality of
the arts presented in this unique urban Victorian park.

A grant from the Interarts Program will allow the Depart-
ment to develop its Sundays in the Park performances. With a
capacity of 50,000 for such events, it is only a matter of time
before this series becomes a major regional arts festival.

I am strongly supportive of both applications from the
Providence Department of Public Parks and hope that, after
careful consideration, the Arts Endowment will act favorably
on them.

With warm regards,

Ever sincerely,

Claiborne Pell
