Dear Senator Pell,

I am pleased to inform you that the Board of Directors of Friends of Libraries U.S.A. has designated you to be the recipient of our fourth Public Service Award. This award recognizes your efforts on behalf of libraries and will be presented during National Library Week in Washington, D.C. Previous recipients have been Representative Major R. Owens and Senator Tom Harkin, and Representative William Ratcher.

We have arranged that this brief ceremony take place during what has become a popular tradition of Legislative Day, the morning briefing session, where approximately 400 library supporters from every state gather. This year it will take place in the Senate Office Building on April 7. We request that you be present to receive the award and say a few words at approximately 8:45 AM.

Friends of Libraries U.S.A., an affiliate of the American Library Association, is thirteen years old. We are a network of over 2000 Friends of the Library groups nationwide, including eight active groups in Rhode Island. We look forward to letting our members know of your efforts as Chairman of the Senate Subcommittee on Education, Arts and Humanities.

We hope that your schedule will permit you to join us on April 7. I will be in touch with your office to discuss the details.

Congratulations on being selected for this significant award.

Sincerely,

Sandy Dolnick
Executive Director
