The Honorable Claiborne deB Pell
United States Senator
325 Russell Senate Office Building
Washington, D. C. 20510

Dear Senator Pell:

The City of Warwick has recently submitted an application for assistance to the Department of Health, Education and Welfare Office of Museum Services.

This project, which was prepared for the Warwick Museum, will fully examine the wide range of problems and opportunities which a small and emerging Museum presents in a neighborhood undergoing substantial revitalization. The historical and cultural resources which this Museum offers are unique to this community and can prove invaluable to the overall Apponaug restoration effort. More importantly, this proposal can serve as a model of development for other local museums to follow.

We would appreciate any assistance which you can provide in this regard. Your concern is deeply appreciated and I look forward to hearing from you soon.

Sincerely,

Joseph W. Walsh
Mayor
