Dear Senator Pell, As you know you have  
my great respect. Not having had reply to  
my request to present my case before the  
Senate Committee in oversight of the National  
Endowment of the Arts funding, I can only  
assume that you go along with the  
current find Liu's Administration's handling  
of my situation and cannot support my  
request. As it is a major scandal in

prudent and fair personal administration,  
I really work upon necessity. Even  
the Great System Protection Board has  
made I was unfairly treated, therefore  
I have no faith the Executive will  
correct - as long as the present policies  
and actions are continued. I believe we  
must fore up to mistakes and deliberate  
repeated unfair and discriminatory practices,  
(even if some under the ages of our  
old friends), in the Congress and Senate, as

well as encompass the good  
things. I had hoped in your  
usual fairness you would take  
an objective view on this matter.  
But I realize it is a hard thing to  
consider. As a constituent of  
yours, I would appreciate a response  
however. Thanks. Sincerely

John Howe Kerr
