APR. 21

Bob McKenna called re your interest in
Bicentennial Era legislation.

He is aligned with the Rhode Island Bicentennial
Commission and helped form a Bicentennial Council of the 13 Original
States established as a result of a meeting in Newport in 1970.

Bob sends his testimony on the need for
renewed focus on the Bicentennial Era which he presented to the
Platform Committee of the Democratic National Committee meeting
in Newport on Apr. 3 of this year.

I thought this worth bringing to your
attention as it shows the applicability of the Rockefeller
proposals to Rhode Island.

I promised Bob we would keep him informed of all
developments.
