RE: URI GLBA COMPLAINT

Attached please find a copy of a memo outlining a complaint made to Michael Lapointe about informational flyers being torn down from the Hutchinson Hall office. Michael forwarded a copy to me since no-one from HRL was copied on the original.

Needless to say, the allegations contained within the GLBA correspondence are serious and require immediate attention. To that end, I ask that you meet with Michael Lapointe to review and assess this situation, and that you offer any assistance, guidance, or other necessary response in addressing these complaints and alleged behaviors.

I look forward to hearing from you soon as to your conclusions and response. Thank you.
