Dr. Senter, Crossing in the mail with my letter asking for help in getting a response from Luv at NSA recently sent you, was only one item, an investigators report. I have asked an extension postmark until 28 August to reply, as being waited since April for it (when the investigator introduced me in N. Suppt) - I can't see how a 10 day rule can let me get it adequate attention as legal review of meaning. I still have not received the other items, or my papers on ~~social~~ discrimination (inverse) based on the fact the Black Caucus petitioned Black directors for the master but not white. This updates you. And to <sup>my</sup> <sub>John</sub> (John Hucker)
