Honorable Susan B. Phillips
Director
Institute of Museum Services
Room 609
1100 Pennsylvania Avenue, N.W.
Washington, D.C. 20506

Dear Ms. Phillips:

It has come to my attention that the Newport Art Museum in Newport, Rhode Island has recently submitted an application to the Institute of Museum Services for a grant under the 1984 General Operating Support program.

The Museum, which successfully competed for an IMS grant in 1979, is now undertaking an ambitious membership and fund-raising drive which should substantially raise its profile in the southeastern New England area. The award of an IMS grant this year would greatly enhance this effort and permit the Museum to expand its programs and services to the public.

I want to express my strong support for this application and hope that, after careful consideration, the Institute will act favorably on it.

With warm regards,

Ever sincerely,

Claiborne Pell
