Senator Claiborne Pell
United States Senate
Committee on Labor and Human Resources
Washington, D.C. 20510

Dear Senator Pell,

I'd like to take this opportunity to express my appreciation for your letter of support for The Lion's Roar film project. Your letter of support has been received by the National Endowment for the Humanities. The panel will review our proposal during the first week of June. We will certainly let you know the outcome of their decision.

In the meantime we are continuing to look for other sources of funding. We feel confident, one way or another, that the film will be made.

We will keep you informed as developments occur with the film.

Sincerely yours,

Kenneth H. Green
Vice-President
Program Director, Lion's Roar
