Hon. Claiborne Pell

Washington, D.C. 20510

Dear Claiborne:

I regret to be so late in responding to your note of August 2, 1978 respecting Duke University's application to the National Endowment for the Humanities. I just returned from a very pleasant three weeks in France with my two daughters.

I'm sending the information which you forwarded to me along to Professor Barber and want to thank you for your concern and cooperation in this matter.

With best as always,

CN/cw
