Dr. Edward A. Knapp  
Director Designate  
National Science Foundation  
Washington, D.C. 20550

Dear Dr. Knapp:

I am sending along a letter from the International Center for Endangered Species, a recently-established scientific research organization based in Newport, Rhode Island.

I would very much appreciate it if you let me know what funds the National Science Foundation might have that would be of assistance to the Center and its important work with endangered species.

Thank you very much for your attention to this matter.

With warm regards,

Ever sincerely,

Claiborne Pell
