Dear Dr. Nicholson:

The testimony which you so thoughtfully presented to the Subcommittee on Education, Arts and Humanities last November is finally available in printed form. I am sending along a copy for you with my thanks and appreciation.

What with a heavy legislative schedule and a busy political calendar for the remainder of this year, it is unlikely that the Endowment's reauthorization will begin until early next year. But as we develop the issues of concern to institutions like yours, I hope I can continue to count on your thoughts and guidance.

With warm regards,

Ever sincerely,

Claiborne Pell
