A Ram’s Beginning:  
Introduction to Event Planning for the University of Rhode Island

In the following pages you will find a guide to assist your student organization with planning an event at the University of Rhode Island. The vision and dedication your organization puts forth contributes to the betterment of URI. The participation of your organization in special events will enhance opportunities for organizations and students to develop skills in:

- Time management  
- Self management  
- Team building  
- Leadership  
- Resource management  
- Community building

In this manual you will be able to find event planning information on:

- Organization  
- Goal setting  
- Planning  
- Management  
- Budgeting  
- Marketing  
- Resources available at URI

This is only a guide and the outcome is dependent on your organization’s commitment. Alterations may be needed depending on the event. Congratulations on undertaking this process that will provide further growth for awareness of your event at URI.
Organizing and Assessing the URI Community:

✓ Current Operations
  ❖ Is there an event at URI that is similar to the event at hand?
    □ yes  □ no
  ❖ If yes, then will your efforts duplicate or contradict existing programs?
    □ yes  □ no

✓ Needs
  ❖ Discuss with advisor:
    □ goals
    □ mission
  ❖ What ideas would others on campus support?

✓ Resources
  ❖ Availability and skill level of:
    • Organization [is it a national (Relay for Life); campus wide (Club Sports); or non-existent yet?]
    • Leaders (Who will head the group? Do they have any leadership experience?)
    • Members (How big is the organization? Are there enough people to staff the event?)
    • Spaces (What venues are available? Are they big enough? Are they able to be used?)
  ❖ Approximate cost of your event: $__________________
Goal Setting:

✓ Target Audience
  ❖ Who is our target audience?
  ❖ What marketing techniques will reach these segments?
  ❖ Are there potential venues accessible for the segments?
    □ yes □ no

✓ Needs of Target Audience
  ➢ Special accommodations
  ➢ Disabilities
  ➢ Scheduling
  ➢ Transportation

✓ Desired outcomes & objectives
  ❖ Outcome and objectives must be made clear to all members
  ❖ Who will be responsible for overall event? Coordinator(s)?
  ❖ Questions to ask:
    ✓ Is it educational?
    ✓ Does it promote community building?
    ✓ Is it a recruiting event?
    ✓ How will you measure if goals were reached?
      • Money, members, satisfaction of members, etc.

✓ Develop a mission statement
  ❖ Be clear about why event is being sponsored and the purpose

✓ Brainstorm
  ❖ What activities will meet the set goals?
  ❖ What kind of activity can the existing resources support?
    ✓ Is it worth the estimated cost?
    ✓ Possible/available dates? Seasonal (weather)?
    ✓ Conflicts-are there other events that could be scheduled at the same time/day/week?
    ✓ Timing of publicity
    ✓ Are there other organizations that could be partners in this event?
