Dear Dan:

Thank you very much for your thoughtfulness in sending an advance copy of your latest National Directory of Grants and Aid to Individuals in the Arts.

It is a most impressive document with what must be the most comprehensive listing of sources currently available to an individual applicant. As we know all too well it is the individual who so often gets lost, or at least confused, in the scramble for those limited dollars. Your efforts should go a long way towards improving this situation.

I look forward to your upcoming issue on foundation support and would very much appreciate having a copy if you can spare one.

With warm regards,

Ever sincerely,

Claiborne Pell
