Dr. Joseph Duffey
Chairman
National Endowment for the Humanities
Washington, DC 20506

Dear Mr. Chairman:

I have just learned that the Council on Learning has submitted a grant application to fund a project on global perspectives of education. This is definitely an area that merits greater attention and more substantive action. There is most certainly a need for Federal assistance in this area, and I would hope that your review of the Council's application might result in action being taken towards meeting that need.

Kind regards.

Ever sincerely,

Claiborne Pell
