Dear Norbert:

Yesterday Arts and Sciences forwarded me the Notice of Change to add RLS/PSC 221, Islam and Its Civilization to the Arabic minor. However, I see no acknowledgement from the departments that they approve of this course being used for the minor.

Can you please contact the chairs for their input. An email is fine. If I could get that as quickly as possible, I would appreciate it. I will still send this Notice of Change forth to the CAC for the April 25th meeting, however, they may hold it up until we receive that information.

Please let me know if you have any questions. Thank you,

Joanne
