Dear Senator Pell,

Thank you for your very kind, as usual, letter of July 19 which I received July 29! How very nice of you to take the trouble to write a letter to Jim Melchert of N.E.A. Thank you also for sending a copy of it to Ms. Tighe. To quote you, "Hopefully we will see some results in the future."

I received a letter from Ms. Tighe telling me that she would like to see me again and to discuss our problems with N.E.A., and asking me to give her dates when I can come to Washington to see her, so that she could set aside the time for our visit. As soon as I know the date I will communicate it to you, and maybe you could find a very short time to receive me, just to thank you in person for all your kindness to me and to our "struggle" with N.E.A.

Very best wishes for you and your family.

Your old, devoted, and very grateful friend,

Michael Werboff
