The Honorable Claiborne Pell
United States Senate
Washington, D.C. 20510

Dear Senator Pell:

I was delighted to receive your letter of April 25. Your reelection campaign last year certainly deserved generous support, and you should receive the heart-felt outpouring of the entire art community for your staunch and steadfast leadership throughout the entire period of federal funding.

In that regard I would like to discuss with you in person your assessment of our progress, sometime in the not-too-distant future. Perhaps George Seybolt, you and I could find a few moments together somehow.

I glimpsed you at the White House prior to the luncheon for the Belgians. With such an illustrious group present it's too bad we didn't have more time together.

With warm personal regards,

Charlotte
