Bill, yesterday I mailed a draft of a letter addressed to Channel 36. I put it in the so-called direct or overnight campus mail. As I mentioned in a cover memo, I believe the letter should go out over your signature and title. Do we have H & H letterhead stationery? Or, with your computer skills, could you do something impressive for this purpose? Since I will not be able to attend a meeting on October 11, I want to pass along the address for Channel 2 so letters can go out after revisions are made.

Call me at the office (x2518, Tues. through Thurs. next week) if I can be of any help. Or at home (789-7003) any time.

Have a good weekend.

Al

Bill, I forgot to mention on my earlier posting today that I tried to reach David Surber, the creator and producer of "Network Q" in Atlanta but there was no phone listing by that name in the city or close suburbs. There is a distribution company in Chicago listed in the article that Channels 2 and 36 can contact. Or, after we find out what they are going to do we may want to contact that place ourselves.
