Bill, Mary, Jean -

Please see the enclosed
announcement for films the H+H
Committee might show. (videos)

I know the Harvey Milk video was shown
at URI several years ago (it is probably in
~~our~~ our library). But it is always worth
repeating.

Maybe the Women's Studies program presented
"Where We Live" or something similar a couple
years ago. (On second thought, probably not.)

The other two would be new to URI and sound
excellent! Let's do it somehow.

Everyone loves movies, right?

Take Care,

PS I will be glad to organize a showing of one of
the new ones if the committee decides to go ahead.

Also the Evelyn Hooker documentary...
