Dear Dr. Evans:

President Newman has asked me to respond to your interesting letter of August 25th. The idea of providing a home for an Institute of American Folk Drama is very appealing indeed.

After consulting with the chairman of our Theatre Department, I am led to the conclusion that the timing is not right for the University of Rhode Island. If in two or three years you should find yourself looking for a sponsor, we would much appreciate your approaching us again. ~~X~~

Best wishes to you. Thanks for getting in touch with us.

Cordially,

Barry A. Marks
