Dear Mr. Evans:

Dean Barry Marks has passed on to me your letter of April 16. While from a budgetary standpoint things look even less promising than they apparently did two years ago when you originally wrote to the University, I would like to have as much information as you can conveniently assemble about the IAFD. This would include your program objectives, accomplishments, staffing and budgets. If nothing else, this would help to familiarize us with the Institute.

Sincerely,

(Dr.) James W. Flannery
Chairman
