Dear Mr. Robinson:

Many thanks for your recent letter with the good news of your appointment as Director of the Museum of Art at the Rhode Island School of Design. I am delighted to know this and look forward to meeting you at the Museum.

In addition, I appreciate having your views on the question of expanding the program of the Institute of Museum Services to include the funding of museum training programs. I will certainly take your comments under consideration as I join with other members of the Subcommittee in "marking-up" the extension legislation for the Institute of Museum Services.

With warm regards.

Ever sincerely,

Claiborne Pell
