LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: NUR 243 Pharmacotherapeutics _____

Department, College: Nursing _____

Faculty Member: Carolyn Hames _____

Date returned to Faculty: 7 April 2015 _____

Librarian Completing Assessment: Robin B. Devin _____

Collection Management Officer: _____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories, including supporting collections from HELIN. How much money is now allocated in the program area?

Library holdings to support this course would include materials from both the Nursing and Pharmacy allocations.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

No essential journals are noted in the Faculty Questionnaire.

3. What new resources are required to support the program (including media, electronic, or other non-print materials)?

No new resources are required to support this course.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

No new costs are associated with this course.
