Dear Howard:

Thank you very much for your letter with the exciting news about the Eighteenth Century Short Title Catalogue. I am delighted to hear that the project is successfully underway and want you to know that I certainly will do whatever I can to help see it through to completion.

I intend to contact Joe Duffey at the National Endowment for the Humanities to express my support for the application pending before the Research Materials Program as well as monitor the proposal as it passes through the review process.

Thank you for bringing me up to date on this most worthwhile project and let me know when I can be of assistance again.

With warm regards.

Ever sincerely,

Claiborne Pell
