Hi Bill

This is first of all an apology for being tardy with the minutes. The week got crazy and I got behind. I told Carolina wouldn't Bill be shocked if on Monday afternoon he went to his computer and found minutes!!???? Hey what a novel idea. And yes an idea it was that suspiciously feel through. I have no excuse, and I deserve all the lashings you can give me:-)

The GLBA has decided on a movie night March 25th in Edwards Auditorium we will be having our first Creature Double Feature which will include; "~~When Night is Falling~~" and "Beautiful Things."

"Go Fish"
"It's My Party"

The 3 Dollar Bill is again in published form. We have one out now, and one in the workings.

Lastly, the GLBA would like to spread the word, that if there are any Professors out there who need "Real Life" and in "HI-FI" stereo GLBTA person for panel discussion on the issues there are members who will be happy to oblige. Oh yeah if you haven't already heard the GLBA is working on becoming the GLBTA! Could you pass on this info to those in your mail file on behalf of the GLBTA. Got to run I'll see you in a few with those minutes!!

Melissa
