Mr. Stephen L. Maurer  
175 High Street  
Peace Dale, Rhode Island 02833

Dear Mr. Maurer:

Thank you for your letter in which you inquire about funding sources to enable you to study at Christie's in London.

You have already contacted the two arts-related organizations in The Federal government that would be most likely to fund such a study program. There are, of course, many private foundations to which you could apply, and I suggest that you consult the Foundation Directory for information on ~~groups~~ that aid individuals in the art field.

The enclosed booklet describes many ways, including individual student loans, one can finance various study programs. Private sources are also listed.

I wish you every success in pursuing this interesting course at Christie's.

If there is anything else that I can help you with, please do not hesitate to contact me.

Warm regards.

Ever sincerely,

Claiborne Pell
