Dear Ms. Brice:

Thank you for your recent letter and for your comments on the matching funds requirement in order to participate in the Community Arts Program of the Rhode Island State Council on the Arts.

I am very glad to have this situation brought to my attention. At the end of June, I will be holding hearings on the National Endowment for the Arts and, in this process, I expect to hear from a number of State Arts Council representatives. I intend to explore the question of allowing a match of "in kind services" in addition to actual cash dollars."

Again, thank you for writing, and please do not hesitate to call on me whenever you think I can be of assistance to you.

Warm regards.

q

Ever sincerely,

Claiborne Pell
