May 15, 1978

Mrs. Maizie Rose
Plover Hill, Lewis Farm
Block Island, Rhode Island 02807

Dear Maizie:

Thank you ever so much for your fascinating letter with the weather prognostications. It is quite a document!

I especially like the point about telling the temperature by the number of chirps a cricket makes.

Thank you for sending me such a rich collection of old time observations. I would be delighted to relay your findings to Mr. Green.

Warm regards.

Ever sincerely,

Claiborne Pell
