The Honorable Claiborne Pell
United States Senate
Washington, D.C. 20510

Dear Senator Pell:

On behalf of the Trustees and staff, I would like to thank you for your support of the New England Aquarium by endorsing our recent application for a Challenge Grant from the National Endowment for the Humanities. I am very pleased to tell you that we have been awarded a \$200,000 three-year grant from the Endowment.

This is a great honor for the Aquarium, and your endorsement was a vital factor. It was very important for the Aquarium to demonstrate community support and the scope of the Aquarium's impact; your letter said it well.

Your interest and support of our work is greatly appreciated. Please remember that you and your associates will always be welcome to the Aquarium at any time.

Sincerely yours,

John H. Prescott
