National Council on the Arts

June 22, 1978

Honorable Claiborne Pell
United States Senate
Washington, D.C. 20510

Dear Senator Pell:

Thank you for your letter of May 24, 1978, on behalf of the Accountants for Public Interest, who have applied to the National Endowment for the Arts for assistance under the Livable Cities category of the Architecture, Planning and Design Program.

We certainly appreciate knowing of your interest in the Accountants' proposal. Their application is currently being reviewed by the Endowment's Architecture Program staff. In August the Accountants' application will be considered by the Livable Cities Advisory Panel, whose recommendations will be brought before the November meeting of the National Council on the Arts. The Accountants for Public Interest will be notified of the decision reached on their request shortly thereafter.

You may be assured that their application is receiving very careful attention.

Best wishes,

Sincerely,

Livingston Biddle
