Bill,

Yes, I am still interested in being an active member of H&H, however, attending the scheduled meetings has been difficult. I believe wholeheartedly in the need for such an organization and plan on helping to further its goals. It is to my embarrassment that I have not made this effort a priority. But although I may not be able to attend every meeting the desire to contribute remains. Perhaps a periodic update of the organizations activities will help to include those who cannot physically attend the bi-monthly meetings. See you Monday. Nancy Pirrone
