Dear Mr. Rabin:

I am writing you to express my strong support for a grant application (H-30415) submitted by Salve Regina College of Newport, Rhode Island.

The application, which has been submitted for the second time by the College, requests funds to develop a series of television documentaries dealing with the cultural history of the Greater Antilles.

It is a very carefully thought out project on a subject worthy of further study, which I sincerely hope will be acted favorably on this time around. I would appreciate your getting back to me as soon as possible with a full report as to the current status of this application. I would also like to be kept informed as this proposal passes through the review process.

Thank you for your attention to this matter.

Ever sincerely,

Clairborne Hill

Arts, and Humanities
