Submitted by Andrew Winters

The group discussed support for the notion of coordinating efforts to address domestic partnership benefits at URI as well as throughout the state. Discussion will continue. Al Lott will bring information about domestic partnership benefits at UC Berkeley.

Agreement was reached to co-sponsor the visit of Sue Friedrich per the suggestion from Jeanne Walton. The visit will occur Wednesday, April 15th. Co-sponsorship will be in the amount of \$100.

GLBTA will sponsor a visit and talk from Brenda Henson of Camp Sister Spirit in Odette, Mississippi tomorrow night at seven o'clock in the Galanti Lounge.

Brainstorming was initiated to determine ways to improve participation with GLBTA and H&H. Conversation regarding the need for a forum to discuss coming out at URI resulted in an agreement to have H&H co-sponsor a program to deal with this and related issues. The program is scheduled for Monday, February 23rd at 8:00 pm in the Multicultural Center. Al Lott will introduce the topic by providing an overview of some recent research literature pertaining to these concerns. Other sponsors will include HRL and Health Services/Health Education.
