Dear Mr. Carrey:

Attached is a copy of our letter to Senator Pell. The audio tapes mentioned were made at the closing session of a day and a half meeting of citizens selected to represent different humanities constituencies in Mississippi as well as community leaders, elected state officials and persons who had been involved in the state program. The tapes transmit the citizens' evaluation of the program thru 1977 and their recommendations for the new guidelines as permitted by the 1976 legislation. We shall be happy to share the tapes with you (approximately 60 minutes) if you think they would be helpful.

It was good to see you at the NEH luncheon last week.

Sincerely,

A handwritten signature in cursive script that reads "Cora".
