Dear Faculty or Staff Member,

In the spirit of learning about differences and eliminating prejudice, the Committee to Eliminate Homophobia and Heterosexism has begun an ongoing project to address the needs of lesbians, gays and bisexuals on campus. As part of this effort, we have drafted a two-part survey to identify the resources available on campus to help educate people on these issues.

We would appreciate it if you would take the time to fill these out and return them. Any additional input you have on these issues would be greatly appreciated.

Sincerely,

The Committee to Eliminate
Homophobia and Heterosexism
