LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: _OCG 113g Impact of Global Change on New England's Coastal Environment_

Department, College: _Oceanography/GSO_

Faculty Member: _Robert Pockalny/John King_

Date returned to Faculty: _3/28/16_

Librarian Completing Assessment: Joanna M. Burkhardt

Collection Management Officer: _Joanna M. Burkhardt_

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library has many recent books and subscriptions to scientific journals in relevant subject categories. The monographic allocation for Oceanography for 2015-16 is approximately \$8500. The cost of journal subscriptions is not figured by department.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

There are no essential journals noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

There are no new library resources required to support this course.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required for the students.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no one-time or ongoing costs to the library for the support of this course.
