Dear Clay

As you may have heard the National Art Museum of SPORT has closed its doors in the Madison Square Garden but is presently having a show in New Canada with "The Society of Arts" in that town. It is good to see some of our paintings again!

Our creator Wanda Parker is no longer with us as an employee but is helping us with our Grant

from Washington. He is
anxious to resume his
career as an artist -
Enclosed are slides of
some of his work - If
you could put in a
good word for him
with Livingston Biddle
he would be most
grateful.

Thanks for your note
the other day - I like
to feel that my
contribution did the
trick.

Best wishes &
good luck in everything
you do!

Mary Rousseau
