Dear Carol:

It is very good to have your recent letter and to learn of the project that the Museums Collaborative intends to undertake.

The Museum/School Voucher Project is the kind of "cross-fertilization" program that I would like to see more of and I am delighted to express my support for it to Joe Duffey at the Humanities Endowment. A copy of my letter is enclosed.

When you have a chance, I would appreciate having more of the information you mentioned on current programs of the Museums Collaborative.

With warm regards.

Ever sincerely,

Claiborne Pell
