Dear Brian:

Thank you very much for your recent letter and for bringing to my attention your interest in seeing the Weybosset Gateway Project successfully completed.

As you may know, HUD has delayed a final decision on the Providence application until the end of March. I have scheduled a meeting in my office this week for city planners to discuss the status of the application with top HUD officials.

I am hopeful that the application will ultimately be funded and, recognizing its tremendous importance to downtown Providence, I will do everything I can to ensure its success.

Warm regards.

Ever sincerely,

Claiborne Pell
