Faculty Member: _Ami Vyas_____

Date returned to Faculty: _11/19/21_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: _Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library holds both historic and current materials in relevant subject categories. The allocation for the purchase of monographs for Pharmacy for 2021-22 is approximately \$10,000. The cost of database and journal subscriptions is not broken out by department or college.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

The Faculty Questionnaire indicates that the journals and databases the library has access to are sufficient for the needs of the class. No essential journals were noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required for the support of this course.

4. What information mastery sessions will be required for the students?

No library information mastery sessions are required for students in this course.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs to the library for the support of this course.
