LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: AFS 397: Underwater Photography & Film Lab_____

Department, College: AFS/CELS_____

Faculty Member: Katherine Petersson, Anya Hanson_____

Date returned to Faculty: 9/10/2020_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

There are a few older monographs about diving and underwater photography. There is no money specifically allocated for this narrow subject area. However, there is an allocation for CELS for the purchase of monographs for 2020-21 which will amply cover any request for purchases in this area.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

There are no essential journals noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

There are no new library resources required for the support of this lab course.

4. What information mastery sessions will be required for the students?

No library information mastery sessions are required for students in this course.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new/ongoing costs to the library for the support of this course.
