Course: ENG150X Tolkien, Wordsworth, and Escapism

Department, College: ENG, A&S

Faculty Member: Travis Williams

Date returned to Faculty: 7/8/20

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?
2. Does URI have the essential journals as noted in the Faculty Questionnaire?
3. What new resources are required to support the course (including media, electronic, or other non-print materials)?
4. What information mastery sessions will be required for the students?
5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

I agree with the Faculty Member that URI Libraries' print and electronic resources in this area are sufficient to support this course. No new library materials are necessary.
